Extra supports are highly recommended on buildings 10' and taller. Vertical roof is recommended on buildings 31' or longer to prevent leaks.  
 Fork lift must be provided for buildings 32' or wider and 14' or taller. (Must lift at least 5' taller than leg height).

\*14 Gauge- 30 day workmanship warranty (must be reported to the California All Steel Carports, Inc.)  
 \*12 Gauge- 20 year limited warranty on rust through out the steel framing assuming normal care and maintenance.  
 California All Steel Carports, Inc. is not liable for any damage as a result of any inclement weather.

**BALANCES OWING:**

All unpaid balances must be paid in full at the time of installation. All our orders are COD. If balances due and owing are unpaid at the time of installation, you will be in default of this agreement and California All Steel Carports, Inc. reserves the right to repossess the carport/building and charge interest of 25% . If you choose to cancel the installation of the carport California All Steel Carports, Inc. is not responsible for returning your down payment. Upon cancellation, you will be required to get your deposit back from the dealer you paid it to. If payment is not made within 2 weeks, California All Steel Carports, Inc. has the customer's permission to repossess carport. Ownership remains with California All Steel Carports, Inc. until paid in full.

ALL SPECIAL ORDERS ARE NON-REFUNDABLE 25% DOWN PAYMENT PRIOR TO THE COMMENCEMENT OF THE ANY WORK OR FABRICATION.

This is a contract. By signing this, customer acknowledges and agrees with all of the above and reverse terms. This contract is NOT final until approval by California All Steel Carports, Inc. Scheduling Department will contact you 1-3 days before delivery and install.

**SOME APPLICABLE CHARGES THAT MAY APPLY AT INSTALLATION:**

- \*Site MUST be LEVEL. If the site exceeds over 3in in unlevelness labor charge will be applied. If site does not exceed the 3in special installations are available and warranties will be voided.
- \*If carport is being installed on a wall, post, ect., & over any obstacle that cannot be moved customer understands that there will be an additional charge.
- \*If installers have to carry the material more than 100ft an extra charge by the installer will be applied. There must be a minimum of 2ft-3ft of area cleared around the perimeter to do the install.
- \*If the carport is being installed on a deck/boat dock there will be an additional charge and also all warranties are voided.
- \*Is the customer's responsibility to have any underground line marked before installation begins.
- \*If the customer makes any changes to an order after fabrication has started additional fees will apply.
- \*It is the responsibility of the customer to check with the county/city for permits or restrictions regarding carport prior installation.
- \*We do offer engineer plans and calculations if your city/county requires the customer to provide a set. The engineer plans and calculations have an additional cost, they must be paid upfront and they are non-refundable. California All Steel Carports, Inc. will not be held responsible for drawings not purchased from our engineer.
- \* We reserve the right to refuse services. \*\* ANY ORDER WITH INCORRECT PRICING IS SUBJECT TO BE PLACED ON HOLD UNTIL REVISED.**

**LOT MUST BE LEVEL OR UNIT WILL BE INSTALLED AS IS ON LOT**

Customer may incur extra labor fees if additional labor is required to install because of un-level surfaces, or for building over obstacles. California All Steel Carports, Inc. not responsible for stopping or repairing leaks under base-rails.

\* \$50 Fee on All returned Checks.

**THINGS YOU SHOULD KNOW...**

*List of applicable charges that may apply. Please initial the following.*

- \_\_\_\_\_ \*All sales are C.O.D. Payment of balance in full is due at the time of installation.
  
- \_\_\_\_\_ \*Height measure is from the ground to the sidewall not the peak. On regular and A-frame horizontal styles, the length measurement is for the roof and siding. The base rail is 1ft shorter than the roof and siding.
  
- \_\_\_\_\_ \*Customer is responsible to inform the installer of any underground cables, gas lines, or any other utility lines. We will not be responsible for any damages to the previously mentioned utilities.
  
- \_\_\_\_\_ \* All quoted prices include installation on level ground at ground level only.
  
- \_\_\_\_\_ \* If any additions are made after the building is completed, there will be a \$100.00 return trip fee plus the cost of the addition.
  
- \_\_\_\_\_ \*It is the sole responsibility of the customer to check for permits or restrictions regarding installation of the product. Some states and local ordinances may require a foundation prior to installation. California All Steel Carports Inc, DOES NOT install foundations and all costs associated with foundations shall be the sole responsibility of the purchaser. There will be \$100.00 extra charge on any custom orders, non-refundable.
  
- \_\_\_\_\_ \*It is highly recommended that all ground, gravel or asphalt installation be securely fastened with the appropriate anchoring system. Rebar anchors are designed for temporary use only. California All Steel Inc, will not be responsible for any damage to the structure if the customer chooses to use only rebar anchors provided with the carport and failure to utilize the proper anchoring method will void warranty. The customer is responsible for patching and repairing asphalt after anchors are installed. In some cases, it is not possible to install all the recommended anchors due to rocky or other ground obstacles. In such cases California All Steel Carports Inc. will reimburse the customer for the full price of the anchors not used, but the customer will be responsible for the full price of the carport.
  
- \_\_\_\_\_ \*The warranty will be voided if the unit is installed by anyone other than our approved independent contractors.
  
- \_\_\_\_\_ \*Your lot must be level or the unit will be installed "AS IS" on the property. Additionally, it is the customer's sole responsibility for ensuring the installation area is adequately prepared/cleared for installation. If upon arrival, the installers find the area in an unsuitable condition a \$100.00 return trip fee will be added to return another day for installation, or additional labor will be added.
  
- \_\_\_\_\_ \*If your are tax exempt purchaser, a copy of your tax exemption certificate must be attached to this original form. (Reseller certificate does not qualify.)
  
- \_\_\_\_\_ \*The quoted price above does not include any extra labor due to site not leveled, built over, carry materials, etc... Any additional labor or material will require separate quote.
